## **WASC School Wide Learner Outcomes**

1. San Ramon Valley High School students will demonstrate proficiency in curricular knowledge and essential skills.
2. San Ramon Valley High School students will demonstrate creativity, critical thinking, communication, and collaboration.
3. San Ramon Valley High School students will demonstrate integrity, personal responsibility, and citizenship.
4. San Ramon Valley High School students will demonstrate inclusivity, empathy, and compassion within their community.

### **Single Plan for Student Achievement Goals (SPSA) at SRVHS**

#### **School Goal #1:**

*Staff teams will identify Essential Skills/Standards for every course and provide equitable access to these standards for all students through common course planning culminating in Common Assessments.*

*Common Assessments will be given (at minimum) once a quarter and data collected from these assessments will be used towards implementing School Goal #2.*

#### **School Goal #2:**

*Continue to develop and implement a comprehensive and school-wide RTI (Response to Intervention) system that supports all students.*

#### **School Goal #3:**

*Continue to increase school safety by regularly analyzing climate and safety concerns of students and staff on campus and by improving transparency and building trust.*

*Continue to improve communication to the parent community, to the staff (classified and certificated), and to the student body.*
